

Welcome to the team! WOM is expanding – and you can quickly start your career with us.

Novanta with its global company WOM is a pioneer and a world leader in medical technology. We are looking for reinforcement for our team at our production site in Ludwigsstadt. If you value responsibility and creative freedom, are enthusiastic about high-tech and medical technology, and appreciate challenges and personal development, we should get to know each other better.

WHAT WE OFFER

- ▶ Independent work in an agile working environment
- ▶ International teamwork and cross-company know-how exchange
- ▶ Appreciation, multiculturalism and inclusion
- ▶ Systematic training through Novanta University and the Novanta Growth System
- ▶ Career opportunities in an expanding, global company

WOM Ludwigsstadt is looking for Manufacturing Engineer

YOUR TASKS ARE AS FOLLOWS

- ▶ Development, qualification, and implementation of new manufacturing processes / manufacturing technologies
- ▶ Qualification of new production areas
- ▶ Design and implementation of fixtures, partial automation and automation solutions
- ▶ Preparation of validation requirements/documentation for new equipment/processes
- ▶ Qualification of new processes/production facilities (FAT Factory Acceptance Test / SAT Site Acceptance Test, machine capability analyses)
- ▶ Development of optimization solutions for manufacturing processes
- ▶ Selection, documentation, and provision of production tools and production aids

YOU ARE OFFERING THE FOLLOWING

- ▶ Completed technical vocational training, e.g., process mechanic for plastics and rubber technology with further training as a state-certified technician or master craftsman
- ▶ Sound knowledge in the environment of automation technology and/or mechanical engineering as well as project planning and implementation of automation and digitization projects
- ▶ Knowledge in project management and modern project planning methods
- ▶ Good knowledge of English is an advantage

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ Structured, independent working method with an eye for the essential
- ▶ Solution-oriented and pragmatic approach
- ▶ Strong communicator and team player

If this describes you, we look forward to receiving your detailed application with salary expectations and earliest start date.
