

Welcome to WOM! We are moving up - and so are you.

WOM is a pioneer and global leading manufacturer in the field of medical technology. We are seeking reinforcements for our R&D team in Berlin. You should contact us if you like to work independently, would like to break new ground with us in the field of Minimally Invasive Medicine, and are looking for continuous development opportunities.

WHAT WE OFFER

- ▶ International teamwork
- ▶ Appreciation and respect
- ▶ Space for innovation
- ▶ Career opportunities in an expanding company

WOM Berlin is looking for Head of Platform Architecture (m/f/d)

You will initially focus on the introduction of a software platform that will be used throughout our portfolio. At the same time, you will further expand our platform approach from the system perspective and include both mechanical components and disposable tube sets.

YOUR TASKS ARE

- ▶ Formation and management of interdisciplinary teams at several locations to establish a uniform platform architecture
- ▶ Implementation of a software platform that includes real-time control software as well as workflow and user interface components
- ▶ Budget responsibility including time and cost management
- ▶ Collaboration with the product development teams to develop an innovative architectural approach
- ▶ Definition of guidelines for a consistent implementation of the platform architecture

YOU ARE OFFERING

- ▶ Master electrical engineering or equivalent
- ▶ 5 years of professional experience in a similar position and extensive experience in system and software development in an agile environment
- ▶ Experience in platform development
- ▶ Knowledge in C, C++ and C# as well as in Windows and Linux environments
- ▶ Fluent language skills in German and English

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ Structured, solution- and team-oriented working method
- ▶ Assertiveness and persuasiveness
- ▶ Strong communication skills

We look forward to receiving your application by e-mail if you believe this to be a great fit for you. Please also tell us your salary expectations and your availability date.
