

Welcome to the team! At WOM, you can balance work life and personal life.

WOM is a pioneer and global leading manufacturer in the field of medical technology. We are looking for reinforcements for our R&D Team in Berlin. If you like to work independently, would like to break new ground with us in the field of Minimally Invasive Medicine, and wish to consistently evolve, we should get to know each other.

WHAT WE OFFER

- ▶ International teamwork
- ▶ Appreciation and respect
- ▶ Space for innovation
- ▶ Career opportunities in an expanding company

WOM Berlin is looking for Mechanical Engineer / Design Engineer - Medical Tube Sets (m/f/d)

YOUR TASKS ARE

- ▶ Development as well as technical layout and constructive design of plastic parts and assemblies
- ▶ Creation and review of function-, production- and cost-oriented design 2D/3D models/drawings
- ▶ Carrying out FMEAs and tolerance calculations
- ▶ Preparing technical specifications
- ▶ Implementation of "Design to Cost" and "Design to Quality" workshops
- ▶ Development/creation of assembly instructions
- ▶ Intensive cooperation with adjacent departments and suppliers

YOU ARE OFFERING

- ▶ Bachelor's/Master's degree in plastics technology, mechanical engineering or comparable subject-specific studies
- ▶ Experience in the development of plastic components for handling liquids or gases (preferably in the medical technology, pharmaceutical, automotive or aviation sectors)
- ▶ Good knowledge of injection molding and/or extrusion and materials engineering (polymers)
- ▶ Experience in highly regulated markets desirable.
- ▶ Knowledge in requirements engineering desirable
- ▶ Competent German or English language skills, spoken and written

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ You work analytically, systematically, and are process-oriented
- ▶ Independent and goal-oriented work is your special strength
- ▶ You are resilient, reliable, and enjoy working in a team

We look forward to receiving your application by e-mail if you believe this to be a great fit for you. Please also tell us your salary expectations and your availability date.
