

Welcome to the team! At WOM, you actively contribute to medical progress.

WOM is a pioneer and global leading manufacturer in the field of medical technology. We are looking for reinforcements for our R&D Team in Berlin. If you like to work independently, would like to break new ground with us in the field of Minimally Invasive Medicine, and wish to consistently evolve, we should get to know each other.

WHAT WE OFFER

- ▶ International teamwork
- ▶ Appreciation and respect
- ▶ Space for innovation
- ▶ Career opportunities in an expanding company

WOM Berlin is looking for Senior Mechanical Engineer / Design Engineer (m/f/d)

YOUR TASKS ARE

- ▶ Development, technical layout, constructive design, and adaptation of medical devices and plastic components and assemblies
- ▶ Creation and review of function-, production- and cost-oriented design 2D/3D models / drawings
- ▶ Carrying out Design FMEAs and tolerance calculations
- ▶ Creation and participation of technical specifications and assembly instructions
- ▶ Implementation of “Design to Cost” and “Design to Quality” workshops in German and English
- ▶ Intensive cooperation with adjacent departments and suppliers
- ▶ Support for prototype constructions
- ▶ Technical leadership of Junior Mechanical Engineers

YOU ARE OFFERING

- ▶ Bachelor/Master’s degree in mechanical engineering or comparable subject-specific studies
- ▶ Several years of experience in construction as well as in injection molding and/or extrusion
- ▶ Experience in the development of plastic components for handling liquids or gases (preferably in the medical technology, pharmaceutical, automotive or aviation sectors)
- ▶ Knowledge in materials engineering (polymers)
- ▶ Experience in designing with Creo and highly regulated markets desirable
- ▶ Knowledge in requirements engineering desirable
- ▶ Fluent in written and spoken German and English

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ You work analytically, systematically, and are process-oriented
- ▶ Independent and goal-oriented work is your special strength
- ▶ You are resilient, reliable, and enjoy working in a team

We look forward to receiving your application by e-mail if you believe this to be a great fit for you. Please also tell us your salary expectations and your availability date.
