

Welcome to the team! WOM is expanding – and you can quick start your career with us.

WOM is a pioneer and global leading manufacturer in the field of medical technology. We are looking for reinforcements for our team in Ludwigsstadt. You should contact us if you like to work independently, would like to break new ground with us in the field of Minimally Invasive Medicine, and are looking for continuous development opportunities.

WHAT WE OFFER

- ▶ Versatile tasks in an exciting work environment
- ▶ International teamwork
- ▶ Appreciation and respect
- ▶ Systematic advanced training by the WOM ACADEMY
- ▶ Career opportunities in an expanding company

WOM Ludwigsstadt is looking for Head of Material Management

Our material manager controls the logistical flow of goods of our Value Stream NDS across the entire company. NDS is a sophisticated small series production in medical technology for the international market. Our batch sizes are between 1 and 100 with many variants.

YOUR TASKS ARE

- ▶ Creation of capacity forecasts and demand requirements for Value Stream NDS
- ▶ Process planning and securing the flow of goods along the entire value chain and materials management
- ▶ Customer and supplier support
- ▶ Monitoring and compliance with stock limits
- ▶ Monitoring of delivery dates and quantities delivered
- ▶ Key figure management with our headquarters
- ▶ Creation of concepts for cost reduction under consideration of lean principles
- ▶ Ensure compliance with legal regulations and safety rules
- ▶ Objectives: Operating result, delivery reliability, inventories, quality costs

YOU ARE OFFERING

- ▶ Degree in economics or industrial engineering
- ▶ Experience in the automotive or medical industry or as a 1 tier supplier is advantageous
- ▶ Extensive experience with ERP software, ideally Oracle
- ▶ Business English and German, fluent spoken and written
- ▶ Willingness to work flexible hours across all time zones

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ Networked thinking with an understanding of numbers as well as an interest in global connections and an eye for the essential
- ▶ Process thinking and persuasiveness as well as communication skills and team spirit

If this describes you, we look forward to receiving your detailed application with salary expectations and earliest start date.
