

Welcome to the team! WOM is expanding – and you can quick start your career with us.

WOM is a pioneer and global leading manufacturer in the field of medical technology. We are looking for reinforcement for our team in Value Stream NDS in Ludwigsstadt. If you like to work independently, break new ground with us, and want to develop yourself consistently, we should get to know each other better.

WHAT WE OFFER

- ▶ Versatile tasks in an exciting work environment
- ▶ International teamwork
- ▶ Appreciation and respect
- ▶ Systematic advanced training by the WOM ACADEMY
- ▶ Room for innovation with the WOM InnoHub
- ▶ Career opportunities in an expanding company

WOM Ludwigsstadt is looking for Engineer for Process and Automation Technology

YOUR TASKS ARE

- ▶ Design transfer from development to production
- ▶ Monitoring of all product development phases from a production perspective
- ▶ Support and responsibility for electronic, optical and system tests
- ▶ Planning, conceptual design and implementation from workshop production to flow production in the production of monitors and data transmission devices
- ▶ Planning and implementation of control systems
- ▶ Cooperation with product development regarding required manufacturing technologies for new products
- ▶ Further development of production processes with regard to new technologies
- ▶ Development of service and maintenance planning for machines and systems
- ▶ Elimination of faults in production systems
- ▶ Drafting validation requirements/documentation for new systems/processes and support for process validations

YOU ARE OFFERING

- ▶ Completed technical studies or comparable technical degree
- ▶ Good knowledge and practical experience in the field of automation technology and/or mechanical engineering
- ▶ Experience in the following topics: Image reproduction, Bluetooth, network technologies, HDMI, Ultra High Definition and optical tests
- ▶ Knowledge of project management and modern project planning methods is desirable
- ▶ Good written and spoken German and English language skills
- ▶ Global travel willingness up to max. 20% p.a.

THESE ARE YOUR PERSONAL STRENGTHS

- ▶ Structured, independent working method with an eye for the essential
- ▶ Assertiveness and persuasiveness as well as communication skills and team spirit
- ▶ Enjoy working together in global teams in different time zones

If this describes you, we look forward to receiving your detailed application with salary expectations and earliest start date.
